

## Sick Child Policy

This is just a friendly reminder that we ask you to **NOT** bring your child to class if they are sick. Due to the anticipation of a bad flu season coming up, we want to eliminate as much as possible the spreading of unnecessary germs. We reserve the right to send a child home we believe too sick to participate, or possibly contagious to other children and staff. Children with the following issues within a 24 hour period of class should stay home and schedule a make-up.

- Vomiting
- Diarrhea
- Fever
- Mucus with color (brown, yellow, green)
- Uncontrollable coughing

Thank you in advance for your cooperation.  
The Perpetual Motion Staff
